You must be at least 12 years old to serve as a CIT at KAMPN's Camp Cogger.

How should I apply to become a CIT?

Go to KAMPN4autism.appstate.edu/volunteer to find the online application.

What happens after I apply?

You will be contacted by our CIT Lead Counselor and Program Coordinator to set up a short get-to-know-you phone interview! We want to hear all about how incredible of a person you are, and get to know you a little bit more before camp starts!!

What will I do at KAMPN's Camp Cogger?

We have so many activities! You will have the chance to interact & hang out with campers and do activities such as hiking, playing group games, eating meals, cooking s'mores, music, arts & crafts, singing campfire songs, fishing, blueberry picking, and playing at the creek! You will be able to complete activities of interest to you & will support campers with autism in these activities as well!

What will I eat?

KAMPN will provide your meals! On Friday night we have a grill out and s'mores later in the evening. On Saturday morning we serve fresh blueberry & plain pancakes, and on Saturday for lunch we have an assortment of fruit, sandwiches, burgers, chicken nuggets, and sides! There are also snacks provided on Saturday afternoon!

Where will I sleep?

All CIT's will sleep in a tent in the center of the grounds. This tent will be directly next to the Program Coordinator's Tent (where both the Program Coordinator and the Lead CIT Counselor will sleep). These tents are away from other counselors & families who are attending the camp by .25 of a mile distance. The CIT tent(s) can be divided by gender if this makes CITs and their guardians feel more comfortable!

What should I wear/bring?

Our Program Coordinator will send you a packing list as the 2016 season gets closer!

I have another question that wasn't answered here/my guardians would like to talk with someone about this CIT opportunity!

PLEASE feel free to call Kelsey (our Program Director) at (919) 418-5905 or email KAMPN4autism@gmail.com with any questions/concerns/other ideas! We always want to hear from you!
